Chris/Wes

Are you guys handling this?

The requisition for \$12,200 is in EAS. The SRO memo, with SRO signature, will need to be attached before it is sent to Elaine Scott, HQ CO. - thanks

Subject: ASPECT deployment

Elaine and Jo,
I got in through webmail and am attaching the SOW and IGCE. I am assuming Althea was the OSC since I saw her name on the emails Mark was sending. If not please forward on to whoever it is.
